# ВНИМАНИЕ!

Цвета, отображаемые на экране или полученные при печати, носят исключительно ознакомительный характер и могут отличаться от реальных оттенков в зависимости от характеристик устройства и технических параметров.

Цифровое изображение не является эталоном и предназначено только для ориентировочного подбора или проверки цветового кода.

Для точного выбора цвета рекомендуется использовать оригинальные физические каталоги (цветовой веер ilmax DECOART) и (или) проводить пробные выкрасы на реальной поверхности.
